# EMERGENCY RESPONSE IN ECUADOR

**Laurence Wangla, Program Manager**

# SOS Children's Villages Ecuador

Active since 1963 in the country.

There are:

- **6 SOS Children's Villages** and **2 SOS Youth Facilities** for 760 young people;
- **1 Vocational Training Centre** for 43 youngsters;
- **6 Programmes** to support and strengthen 1,310 vulnerable families;
- Ecuador is still characterized by unequal wealth distribution, children are in need of protection (e.g. only one in five children grows up in households free from neglect or abuse)

## Situation in Ecuador after the earthquake

On April 16th, 2015, a 7.8 magnitude earthquake struck coastal areas in north-west Ecuador.

**660 persons** have been **killed**, **16,000 persons** injured.

**350,000 people** in need of assistance

**7,000 buildings** have been destroyed, **560 schools** affected.

**150,000 children** have been affected by the earthquake

## SOS Children's Villages response

The response focuses on the **protection of children's rights** and **family strengthening**. The action is coordinated with other organizations to support children and families.

**800 families** and **1,550 children in 8 shelters** are receiving **psychological support**: post-trauma stress family support to prevent family separation, ludic games and “return to joy” methodology, participation in therapy sessions, specific accompaniment of 448 families.

**4 community centers** are offering workshops on **children's rights and violence prevention**. More than **580** children, young people, adults and local authorities are participating

**1,050 children and adolescents** and their **families** are building their capacities in preventive health care

**IT corner** is available for **1,550 children and adolescents**

## Contribution of the EIBI - Perspectives

€ 62,500 donated by the European Investment Bank Institute

These funds are dedicated to the overall intervention, **focusing on family strengthening**

SOS Ecuador is teaming up with partners and other NGOs to gradually help more than **2,600 families** in Muisne, Chamanga, Portoviejo and Pedernales through family strengthening programmes and by building resilience.

# EMERGENCY RESPONSE IN NEPAL

**Sophie Glesener, Managing Director**

# SOS Children's Villages Nepal

Active since 43 years in the country.  
There are:

- **10 SOS Children's Villages** and **8 SOS Youth Facilities** for 1,800 young people;
- **1 SOS Kindergarten** for 64 children;
- **7 SOS Schools** and **3 Vocational Training Centres** for 5,000 youngsters and adults;
- **8 SOS Social Centres** to support and strengthen 2,500 families;
- **1 SOS Medical Centre.**

## Situation in Nepal after the earthquake

On April 25th, 2015, a 7.8 magnitude earthquake struck Nepal.

Nearly **9,000 persons** have been killed, **22,000 persons** injured.

**600,000 lodgings** and **32,000 classrooms** have been destroyed.

**700,000 families** have been displaced, **many children have been separated** from their family, in the worst case **orphaned**

Nepal is one of the poorest countries in the world.  $\frac{1}{4}$  of its population live below the poverty line.

## SOS Children's Villages current rehabilitation intervention, 18 months after the earthquake

| <b>Private housing reconstruction</b>        | Under preparation   | 320 families             |

## SOS Children's Villages intervention after the earthquake

### 25 Child Friendly Spaces for more than 2,000 children

SOS Children's Villages served more than 2,000 children in several districts (Bhaktapur, Kaski, Kathmandu, Lalitpur, Kavre and Bharatpur) with :

- Meals
- Therapeutic and medical care
- Informal class activities, games, art therapy...

These spaces allow parents to take care of the most urgent things to do after the catastrophe

## Contribution of the EIBI

€ 50,000 donated by the European Investment Bank Institute

These funds were dedicated to the 25 Child Friendly Spaces

**Total Cost of the Child Friendly Spaces  
€167,904**
