

Report on Grants and IT Donations (2016)

The EIB Institute aims at promoting local philanthropy by channelling support, mainly through grants for eligible initiatives or donations of IT equipment that is no longer used by the EIB Group, to non-profit organisations, local community centres or schools, registered in an EU Member State. In 2016, in the framework of the “Small Grants” Initiative, the Institute approved **23** grants, equating to a total of **EUR 128 978**, for the benefit of 23 different organisations. The table below provides further details on total requests:

2016 Small Grants	Number
Total requests	48
Number of positive replies	22
Number of non-eligible + rejected requests	25
Special year-end donation	1
Total grants provided	23 (*)

(*) Of which 15 up to EUR 5 000 and 8 above EUR 5 000.

The details of all the 23 initiatives financed are displayed in the table on pages 2 and 3. The rules governing the award of these grants can be found by clicking [here](#).
