

2019

- [*Cyber Threats and Institutional Responses: An EU Case Study*](#) - The Johns Hopkins University School of Advanced International Studies (SAIS), Bologna, Italy

2018

- [*The European Investment Bank and the “Mezzogiorno” in the context of regional development \(1958-1973\)*](#) – European University Institute, Florence, Italy
- [*Data modelling to increase the operational resilience in Facilities Management*](#) - Luxembourg Institute of Science and Technology (LIST), Luxembourg
- [*Determinants of firms’ financing conditions and investment policies: new evidence from survey data*](#) - Université de Paris 1 Panthéon-Sorbonne, France
- [*How to make energy efficiency projects attractive? An analysis of EU firms*](#) - University of London – SOAS, United Kingdom
- [*The measurement of model risk in capital requirements*](#) - Politecnico di Milano, Italy

2017

- [*Do IFIs make a difference? The impact of EIB lending support for SMEs in Central and Eastern Europe during the global financial crisis*](#) - Frankfurt School of Finance & Management gGmbH, Germany
- [*Financial integration, investment and risk sharing – a granular perspective*](#) - Paris School of Economics, France
- [*Understanding Financial Constraints in the MENA Region*](#) - Paris School of Economics, France
- [*EU Financing Policy in the Social Infrastructure Sectors: Implications for the EIB’s sector and lending policy*](#) - Università Commerciale Luigi Bocconi, Milan, Italy

2016

- [*Impact of Preventive Maintenance on Flexible Pavement Service Life*](#) - Fundación de la Ingeniería Civil de Galicia, Spain

2015

- [*Multinational banking in Central Eastern and Southern Europe and financial stability*](#) - Universitat Jaume I Castellon, Spain
- [*Intergenerational redistributive effects due to the financing formula of investments in transport infrastructure*](#) - Center for Innovation in Transport, Universitat Politècnica de Catalunya, Barcelona, Spain
- [*Financing of European SMEs: Patterns, Determinants and Dynamics over Time*](#) - Universität Trier, Germany

2014

- [*Understanding the key drivers for road freight transport decoupling in Europe*](#) - Universidad Politècnica de Madrid, Spain
- [*Job creation in small and medium sized firms in MENA countries: the role of financial constraints*](#) - Paris School of Economics, France

2013

- [*The economic impact of broadband speed: Comparing developing-developed countries*](#) - Stiftelsen Institute for Management of Innovation and Technology (IMIT), Chalmers University, Göteborg, Sweden
- [*Investment in the Western Balkans: role, needs, financing and impact on the overall macroeconomic efficiency and development*](#) - Université de Nice Sophia-Antipolis, France.
- [*Impact evaluation of urban projects: how to better assess performance and sustainability?*](#) - Cambridge University, United Kingdom
- [*Effectiveness of Infrastructure Project Investments in North and Southern Africa regions*](#) - Univerza v Ljubljani, Slovenia
- [*Designing Investment Funds for UNESCO sites: demand, governance and structure*](#) - Université de Paris 1 Panthéon-Sorbonne, France
- [*The Applicability of Multi-Criteria Analysis to the Appraisal of Mega Infrastructure Seaport Projects in Major Port Cities*](#) - University College London, United Kingdom

2012

- [Demographic change and local fiscal stress: a comparative study](#) - TU Berlin, Germany
- [Road Infrastructure Design for Optimizing Sustainability](#) - Universidad Politécnica de Madrid, Spain
- [Land value finance as a tool to diminish municipality bond risk](#) - University College London, United Kingdom

2011

- [Built to last: development policies and socio-economic foresight in the cities of Europe](#) - Università Commerciale Luigi Bocconi, Milan, Italy
- [Ownership structure, corruption, and performance in transition economies](#) - Univerza v Ljubljani, Slovenia
- [Energy efficiency in ultra-broadband next generation access networks](#) - Universidad Politécnica de Madrid, Spain
- [The role of universal service for broadband access and its financing: a fact based contribution to the debate in the European Union](#) - Athens University, Greece

2010

- [Building e-services of the future in Africa: Consolidation, development, recommendation and deployment](#) - University of Bradford, United Kingdom
- [Evaluation of the spatial impacts of improved connectivity from urban transport investments. A GIS \(Geographic Information System\) application of the ICON indicator](#) - Universitat Politècnica de Catalunya, Barcelona, Spain
- [Evaluating security of energy supply in the EU: Implications for project appraisal](#) - Università Commerciale Luigi Bocconi, Milan, Italy
- [Improving access to financial services for low-income population segments and small companies](#) - IESE Universidad de Navarra, Spain

2009

- [The Economic impact of mobile telephony on the growth of developing countries: A simultaneous approach](#) - Imperial College London Business School, United Kingdom
- [Investing in urban sustainable development in Poland: Risks and opportunities for urban development funds](#) - Uniwersytet im. Adama Mickiewicza w Poznaniu, Poznan, Poland
- [Study of the SOcial costs of CARBon in the context of climate change: Results from an ecosystem-servicES based perspective \(SOCARBES\)](#) - Università Ca' Foscari di Venezia, Italy

2008

- [Regulation and investment incentives for next generation broadband access networks](#) - Università LUISS Guido Carli, Rome, Italy
- [Transport Infrastructure Financing through Land Value Capture: Applications to Estonia](#) - University College London, United Kingdom
- [Communities' technical networks – their governance, ownership and operation](#) - Oulun Yliopisto, Finland
- [Approximation of Heath-Jarrow-Morton interest rate models using finite-dimensional projections](#) - University College Cork, Ireland
- [Equity and Access to Higher Education: Demand for student loans in Italy – A case study](#) - Università degli Studi di Verona, Italy

2007

- [Financial Developments in EU New Member States \(NMS\) and candidates: an empirical analysis based on the theory of the monetary circuit](#) - Université de Nice Sophia-Antipolis, France
- [Private equity, firms' performance and structural change. Theoretical and empirical perspectives in Italy and UK](#) - Politecnico di Torino, Italy

2006

- [Financial Economies of Scale in the Water Sector: potential benefits from integrating the funding of fragmented operation](#) - Università Commerciale Luigi Bocconi, Milan, Italy
- [Application of the ExternE/HEATCO methodology for the evaluation of projects – Monetary valuation of health risks, noise and other environmental impacts](#) - Universität Stuttgart, Germany
- [Economic analysis of energy projects – alternatives to discounted cash flow approach, with particular focus on real options](#) - Université de Montpellier, France
